- Kerala, India

SKILLS

Testing Skills:

- Manual Testing
- Automation Testing
- Functional Testing
- Mobile Testing
- Performance Testing
- Regression Testing
- User Acceptance Testing (UAT)
- Cross-Platform Testing
- API Testing

Testing Methodologies:

- Software Testing Life Cycle (STLC)
- Software Development Life Cycle (SDLC)
- Agile Methodologies

Test Tools & Frameworks:

- QTP 11
- Jira
- Selenium

PROFILE

Enthusiastic Software Tester with over 2 years of experience in manual and automated testing. Skilled in creating and analyzing test cases to ensure top-notch software quality. Seeking to enhance QA processes and contribute to delivering exceptional products.

WORK EXPERIENCE

Beacon Infotech | UL Cyberpark, Calicut OCT 2022 - PRESENT
Software Tester

Roles:

Manual and Automated Testing:

- Conducted comprehensive manual and automated testing on web and mobile applications, ensuring the delivery of high-quality software products.
- Developed and executed detailed test cases based on functional and non-functional requirements.
- Created automated test scripts using Selenium and Playwright, reducing testing time by 50%.

Test Execution and Reporting:

- Performed functionality, regression, compatibility, and performance testing to ensure robust, reliable, and seamless user experiences across multiple devices and platforms.
- Conducted end-to-end testing, meticulously preparing test cases and executing test scenarios to verify software quality.
- Generated comprehensive test reports, identifying critical issues and providing actionable insights to enhance software quality.

Bug Tracking and Resolution:

- Utilized Zoho Sprint for managing the bug life cycle, ensuring timely identification and resolution of issues.
- Reported and tracked defects using Jira, providing clear and actionable feedback to developers for efficient resolution.

API Testing:

- Utilized Postman to perform API testing, ensuring seamless communication and data exchange between front-end and back-end systems.

Collaboration and Agile Practices:

- Actively participated in Agile practices, including sprint planning, daily stand-ups, and retrospectives to support team collaboration and timely project delivery.

- Playwright
- JMeter
- WebDriver
- UiPath (RPA)

Development & Integration:

- Test Case Management
- Bug Tracking
- Test Script Development
- Version Control

- Worked closely with developers, product managers, and end-users during user acceptance testing (UAT) to validate software functionality and address feedback.

Process Improvement and Cross-Functional Collaboration:

- Contributed to the creation and maintenance of test plans, scripts, and test data, ensuring comprehensive test coverage.
- Collaborated with cross-functional teams to understand project requirements and support the development of detailed test strategies.
- Gained hands-on experience in both web and mobile application testing, adapting to various testing environments.
- Continuously improved testing processes and tools to drive efficiency and software quality.

ADDITIONAL SKILLS

- Attention to Detail
- Technical Skill
- Problem-Solving
- Team Collaboration
- Time Management
- Adaptability
- Interpersonal Skill
- Analytical Thinking

LANGUAGES

- English (Fluent)
- Malayalam (Fluent)

EDUCATION

BTech Computer Science & Engineering KMCT College of Engineering for Women	Graduated
Higher Secondary Certificate St.Thomas HSS Kilianthara	2014 - 2018
Secondary School Certificate St.Joseph's H S Kunnoth	2012 - 2014
